

GRIPKLIP

Product Code: KLIPGRIP

Product Overview

Extra-strong polypropylene clip for training young trees on exposed sites; requires secateurs to remove.

Key Features

- Extra-strong hook end to take high strain
- Secures young trees to wire in windy blocks
- Built tough – removal with secateurs
- Suitable for 2.5 mm gauge wire

Usage Instructions

- Snap clip firmly over leader and wire; ensure hook fully engaged.

Storage & Handling

- Seal bags when not in use; if storing long-term add a little water and reseal to maintain flexibility.
