

TRELLIS TIES

Product Code: KLIPTREL

Product Overview

Durable polypropylene tie for training fruit trees and raspberries on trellis or for holding irrigation hose.

Key Features

- Secures fruit tree crops on trellis in sheltered orchards
- Suitable for raspberries and robust cane crops
- Also holds irrigation hose to wire
- UV-stabilised polypropylene construction

Usage Instructions

- Clip tie around branch and support wire; press hook until locked.

Storage & Handling

- Seal bags when not in use; if storing long-term add a little water and reseal to maintain flexibility.
