

## VINE TIES

**Product Code:** KLIPVINE

### Product Overview

Gentle, easy-to-apply tie for kiwifruit, grapevines and young fruit trees with extra-strong hook ends.

### Key Features

- Quick to apply and gentle on plants
- Reusable narrow band design
- Extra-strong hook ends for secure hold
- Made from long-life UV-stabilised polypropylene

### Usage Instructions

- Hook tie around cane and wire, press ends together until locked.

### Storage & Handling

- Seal bags when not in use; if storing long-term add a little water and reseal to maintain flexibility.
